Inspired by Star Wars Legends. In this cinematic adaptation of Dawn of the Jedi, the first Force-sensitive pilgrims arrive on Tython after being gathered from across the galaxy by the mysterious Tho Yor. As Humans, Togruta, Zabraks, Nautolans, Miraluka, and many others explore their new world, the first bonds of what will eventually become the Je'daii Order begin to take shape.

Set more than 36,000 years before the Galactic Republic and long before the rise of the Jedi Order, this chapter explores one of the oldest and most mysterious eras of Star Wars history-the gathering of the earliest Force-sensitive peoples on the ancient world of Tython.

This AI-powered cinematic adaptation is inspired by the legendary Dawn of the Jedi storyline and the ancient origins of Force civilization.

There existed the Infinite Empire - a civilization forged in the dark side of the Force, capable of enslaving entire worlds and bending the stars themselves to their will.

This cinematic AI film brings to life the ancient history of the Rakata, the creators of unimaginable technologies. The legendary Star Forge - a construct capable of fueling endless conquest will be in the second part.

Witness the origins of their expansion...
The scale of their power...
And the legacy they left buried in the deepest regions of galactic history.

Built with a cinematic approach inspired by the tone and gravity of classic Star Wars storytelling, this film is a visual journey into an era rarely seen on screen - mysterious, monumental, and forgotten by time.

If you are passionate about Star Wars lore, Old Republic history, and the deepest layers of Legends canon, this is a chapter you cannot miss.

Star Wars: Dawn of the Jedi - Into the Void ACT IV continues this cinematic Star Wars Legends fan-film adaptation of Tim Lebbon's ancient Je'daai story. Je'daai Ranger Lanoree Brock and her Twi'lek companion Tre Sana enter the hostile industrial world of Nox, following Dalien Brock's trail through Greenwood Station, District Six and the hidden depths of Pan Deep. Their investigation leads to a brutal confrontation with the Stargazers, the discovery of Dal's ancient hypergate device and a desperate struggle to escape Nox before the entire station descends into destruction. Set thousands of years before the Jedi Order, this chapter explores the forgotten Dawn of the Jedi era, the Je'daai Rangers of Tython and one of the earliest conflicts surrounding ancient Force technology millennia before Darth Vader.

DAWN OF THE JEDI: INTO THE VOID - ACT V FINALE brings Lanoree Brock and Dalien Brock to their final, devastating confrontation inside the ancient Infinity Gate chamber. This Star Wars Legends cinematic fan film concludes our adaptation of Tim Lebbon's Dawn of the Jedi: Into the Void, as the fate of Tython, the Je'daii Order and countless worlds hangs upon one impossible decision.

The final cinematic epilogue expands beyond the events of the novel as an original bridge toward the next chapter of this Dawn of the Jedi film series. The dormant Gate reveals only a terrifying suggestion of what may exist beyond the known stars-an ancient power that will lead us toward Dawn of the Jedi: Xesh, the RAKATA and the coming Force Wars.

Continue the journey into Star Wars: Dawn of the Jedi - Force Storm, set in 25,793 BBY, more than 25,000 years before the Skywalker Saga. On ancient Tython, the Je'daii encounter Xesh, a mysterious Force Hound whose arrival brings the shadow of the Rakata Infinite Empire ever closer to their world. The balance between Ashla and Bogan is beginning to fracture.
As the consequences of Xesh's arrival spread across Tython, the young Je'daii are drawn deeper into a confrontation with a stranger unlike anyone they have encountered before. His mysterious Forcesaber, his connection to the dark side of the Force, and the ruthless civilization he serves reveal a threat extending far beyond Tython.

Based on the official Star Wars Legends: Dawn of the Jedi - Force Storm comic series written by John Ostrander, with art by Jan Duursema, originally published by Dark Horse Comics.

In this Star Wars Fan Film, Dawn of the Jedi continues with The Prisoner of Bogan, bringing the ancient era of 25,793 BBY to life. Following Force Storm, Force Hound Xesh is exiled to the dark moon Bogan, where he encounters the fallen Je'daii Ranger Daegen Lok - setting a dangerous new chain of events into motion.

As Shae Koda, Sek'nos Rath, Tasha Ryo and the Je'daii investigate Xesh, his mysterious Forcesaber, and the unknown enemy that has reached Tython, another Force Hound is already hunting them: Trill, servant of the Rakatan Infinite Empire.

From Bogan to Krev Coeur, the hunt for Xesh begins as the shadow of the Rakata moves ever closer to the Je'daii.

Star Wars Legends: Dawn of the Jedi - The Prisoner of Bogan, inspired by the comics of John Ostrander and Jan Duursema.

The galaxy trembled during the Hundred-Year Darkness - a time when rogue Jedi, consumed by forbidden knowledge, embraced the dark side and became the first true Sith Lords. Fueled by alchemy and ambition, they created monstrous abominations: living weapons that tore through Republic forces.

This AI episode chronicles the rise of Sith alchemical horrors, the devastating Battle of Corbos, and the aftermath that would forever change galactic history. Defeated but not destroyed, the surviving Sith were exiled beyond known space, planting the seeds of an empire that would one day return with vengeance.

From the Pilgrim Gathering after the fall of the Rakata to the rise of darkness on Korriban, this chapter traces the shifting fate of the galaxy over millennia.

Wanderers and survivors from across the stars seek new meaning in a galaxy no longer ruled by the Infinite Empire. As Force traditions diverge, one path leads to a terrible revelation: a group of fallen Jedi, exiled for delving too deeply into forbidden power, land on Korriban - home of the native Sith species.

Led by Ajunta Pall, these exiles introduce Sith alchemy, corrupting life and warping the Force to their will. Their influence spreads to Zioist, where a new Sith Empire is forged - its legions bred for conquest, its teachings grounded in domination, fear, and immortality.

This is the true beginning of the Sith Lords - and the origin of a legacy that will echo for thousands of years.

As whispers of the Sith's resurgence spread across the galaxy, the Jedi Council on Coruscant receives grim reports of attacks on Outer Rim systems. In response, a seasoned Jedi Master is dispatched to investigate - only to find a world reduced to ashes.

Meanwhile, deep within the shadows, the Sith initiate a bold new phase of their plan. A brilliant acolyte, master of manipulation, is chosen to infiltrate the political sphere of the Republic. Disguised and strategically placed, he rises through the ranks to become Chancellor - gaining influence and rewriting the rules under the Senate's trust.

At the same time, the Sith secretly construct a massive facility on a drifting asteroid - a hidden nexus of shipyards, droid foundries, and dark engineering. From this black site, the first phase of a dark empire is forged.

In this pivotal chapter set around 4800 BBY, the Republic stands unaware as darkness rises from within. Behind the polished façade of democracy, Chancellor Varnax - a Sith in disguise - manipulates the Senate and rewrites galactic law, granting sweeping powers that serve a hidden agenda.

With subtle precision, Sith acolytes are dispatched across the galaxy, executing Jedi in secret and extinguishing the light, one system at a time. But one Jedi - a survivor - uncovers the truth and transmits a desperate warning to the Jedi Council.

The Council is divided. Some heed the danger. Others dismiss it. As the shadow deepens, the Jedi begin to fade from public life, choosing exile, silence, and secrecy. It is the twilight of the Order, and the foundation for many years of Sith manipulation has been laid.

Darth Revan Star Wars story - An AI project inspired from Star Wars Legends. Experience the full AI cinematic story of Darth Revan, one of the most iconic and complex figures in Star Wars Legends. From his mysterious origins and rise as a brilliant Jedi Knight, to his defiance during the Mandalorian Wars, and his fall into darkness as the feared Sith Lord Revan, this fan-made arc explores the untold depths of his journey.

Witness Revan's discovery of Malachor V, his alliance and eventual betrayal by Darth Malak, the creation of the dreaded Star Forge, and his ultimate redemption and struggle with fractured identity. This saga spans the critical events that shaped the galaxy thousands of years before the films, bridging the gap between the Old Republic era and the ancient Sith lineage.

Featured Themes: Revan & Malak • Mandalorian Wars • Malachor V • Star Forge • Jedi vs Sith
Timeline: ~3994 BBY - 3957 BBY

DARTH REVAN VS TENEBROUS - EPISODE 3: YOU THINK THESE ARE HOLDING ME?

Description

Tenebrous thinks Darth Revan is finally trapped. The ancient creature's massive arms tighten around him as the stone throne rises overhead.

But Revan has been waiting.

The restraints are torn away. The massive stone comes crashing down-and Revan shows Tenebrous that the fight is far from over.

The shadow thought it had Revan. It was wrong.

Darth Revan is no longer fighting to escape Valkorion's prison.

He's learning how to control it.

Inside the depths of Revan's own mind, Valkorion uses Force domination, illusions, and the prison itself to break his captive. But Revan turns every chain, every illusion, and every weapon of the mindscape against his captor.

This is no ordinary lightsaber battle.

This is a war of will, power, and preparation-and Valkorion is beginning to realize that imprisoning Revan may have been his greatest mistake.

Valkorion has Darth Revan exactly where he wants him-chained, isolated and trapped inside a prison of stolen memories.

But this is no ordinary interrogation. Valkorion begins rearranging Revan's past, swapping memories and identities as he attempts to break his will and rebuild him as a weapon. Every face

becomes a lie. Every memory becomes a battlefield.
Valkorion may control the prison-but he has
entered the mind of the one man who has survived
him before.

Before Darth Revan... there was a Jedi who refused
to stand by.
In Chapter One, Revan discovers the mask that will
become part of his legend.
In Chapter Two, the Jedi Council refuses to enter
the war. Revan makes his choice anyway-and Alek
becomes one of the first to stand beside him.
Two friends walk through those doors together.
Neither knows where that road will eventually lead.

In this AI reimagined adaptation, step into the darkness of Star Wars Legends with the rise of Darth Nihilus - the Lord of Hunger, one of the most terrifying Sith in galactic history. Once a survivor of the Mandalorian Wars, Nihilus became consumed by an endless hunger for life itself, feeding on the Force until his very body dissolved, leaving only a hollow mask and the echo of a scream.

This AI-cinematic film explores his transformation from Jedi to wound-in-the-Force, his bond with Darth Traya and Darth Sion, and the creation of the Sith Triumvirate that plunged the galaxy into shadow. Witness the devastation of Katarr, where an entire planet was drained of life by his power - a dark symphony that defined the true nature of the Sith.

Key Themes: Darth Nihilus • Sith Triumvirate • Wound in the Force
Timeline: ~3,950 BBY

The Jedi sensed him before they understood what was coming.

Darth Nihilus - the Lord of Hunger.

He doesn't need to conquer a world. He doesn't need an army. His very presence can drain the life surrounding him until nothing remains.

When the Jedi Master finally asks, "What are you?" the answer is more terrifying than words.

Some Sith seek power.

Nihilus only hungers.

Drawn by visions of an ancient Sith threat, Revan ventures into the Unknown Regions in search of Sith Emperor Vitiate, but is captured and imprisoned in stasis for 300 years. Sustained between life and death, his mind fractured by the Emperor's torment, Revan is eventually freed through Bastila Shan's efforts.

Reborn with a singular purpose, Revan reclaims the Rakatan Foundry, forging an unstoppable army of alien war droids and fleets to wage war on the Sith-and anyone who stands in his way. As his methods grow darker, the Jedi Council senses a new shadow rising. Fearing Revan's descent into madness, they dispatch an elite strike force to confront him in the heart of the Foundry... and decide the fate of the galaxy.

As previously seen only in theaters, #TKAtv welcomes Star Wars: Gray Trials the Movie, a feature-length fan film from The King's Academy's award-winning Studio 70. Set in the Old Republic era, three millennia before Darth Vader, Jayma Solvo seeks her path somewhere between The Force and the Dark Side.

**** SYNOPSIS ****

CHAPTER ONE (The Discovery or Jayma and The Force) Three thousand years before the rise of Darth Vader, at the height of the Great Galactic War, Jayma Solvo and her parents move to a new planet, Ashas Ree. There, Jayma faces school bullies, learning something that will change her life forever.

CHAPTER TWO (The Academy or Jayma and the Scepter) Jayma Solvo has trained for years in the harrowing halls of Korriban's Sith Academy. Now, as she tries to gain prestige and earn apprenticeship to a Dark Lord of the Sith, Jayma's future and freedom are suddenly tied to the quest for a mysterious and powerful ancient relic.

CHAPTER THREE (The Jedi or Jayma and the Jedi) When a fugitive Jedi abducts newly apprenticed Jayma Solvo and flees, she must rally her wits and skill to survive. Meanwhile on Korriban, Lord Barrows schemes among the Sith elite to investigate Jayma's kidnapping.

CHAPTER FOUR (The Friend or Jayma and the Wookiee) Jayma Solvo is marooned on the strange, new world of Kashyyyk. There, the Jedi way is Jayma's path to unlikely friendship. Meanwhile on Korriban, Lord Barrows must spring a trap set by servants of Darth Ekkage.

CHAPTER FIVE (The Way or Jayma and the Mandalorian) Darth Ekkage commands Jayma Solvo to hunt down her escaped Jedi prisoner. Meanwhile, Lord Cade Barrow's fate is revealed.

CHAPTER SIX (The Padawan or Jayma and the Escape) Hunted by Darth Ekkage's assassins, Jayma Solvo flees Onderon with Jedi Master Grenz. Meanwhile, Lord Barrows plots his escape from the Sith master's grasp ... and vengeance.

CHAPTER SEVEN (The Trial or Jayma and the Choice) Three thousand years before the rise of Darth Vader, Jayma Solvo must choose between her mentors, Lord Barrows and Jedi Grenz, sealing her fate forever.

DARTH BANE: THE RULE OF TWO
An AI Cinematic Film inspired by Star Wars Legends

This cinematic AI film of Darth Bane: The Rule of Two is depicting the aftermath of Ruusan, the extinction of the Sith on record, and the silent rise of a new order operating in the shadows.

From the horrors of Dxun and the living armor of the orbalisks, to the forbidden knowledge hidden within ancient Sith vaults where Darth Andeddu's Holocron lies, this film explores the true cost of power. Immortality is offered. Immortality is rejected. Instead, Bane forges the Rule of Two-a philosophy built on conflict, secrecy, and evolution.

At his side stands Zannah, not as a follower, but as a future challenge. The bond between Master and Apprentice is forged not through loyalty, but through tension-because the Sith do not survive by preserving strength, but by ensuring it can be challenged.

A massive battle droid should be a serious threat.

Darth Bane barely considers it one.

With a single raised hand, Bane demonstrates why raw power isn't always about swinging a lightsaber.

Sometimes the most terrifying warrior is the one who doesn't need to draw a weapon.

In this AI Star Wars story, discover the reimagined life of Sheev Palpatine - the boy who would one day become the Sith Emperor.

This AI fan-made project follows Star Wars Canon but reimagines key details of Palpatine's origins. Instead of Naboo, our story begins with the Palpatine's family exiled on Tatooine, where the boy is secretly discovered and trained by Darth Plagueis from an early age. Episode I covers his journey from exile to Naboo, where Plagueis places him in the finest political academies to shape him into a master of manipulation and power.

This is the beginning of Palpatine's rise - a new vision of how Darth Sidious could have come to be.

Final Episode will continue his path toward becoming the Dark Lord of the Sith. Link below:

The events in this AI adaptation do not follow the canon storyline accurately

In this final chapter of AI story Star Wars: The Life of Palpatine (Reimagined), the Dark Lord's political and Sith ascension intertwine. As Senator of Naboo, Palpatine maneuvers through the corridors of Coruscant's power, masking his growing darkness behind charm and diplomacy. Secretly, as Darth Sidious, he deepens his mastery under Darth Plagueis - yet ambition soon drives him to betray his master and seize the mantle of Dark Lord of the Sith.

In the underworld of Coruscant, Sidious discovers a young Zabrak warrior - shaping him into the deadly Darth Maul, his apprentice and weapon of vengeance. Meanwhile, he manipulates galactic crises to his advantage, rising to Supreme Chancellor and authorizing the creation of the Clone Army. The Republic believes it has found salvation - unaware it has already fallen into his hands.

Key Themes: Rise of Darth Sidious • Political Deception • Betrayal of Darth Plagueis • Discovery of Darth Maul • Clone Army Conspiracy
Timeline: ~52-22 BBY

The dead are forbidden to speak before the water is touched.
During a sacred burial ritual on Dathomir, a sealed pod whispers Sela's name-and reveals a memory that Matriarch Veyra buried with the dead. But when a second grave awakens, Sela realizes the ritual was never meant to uncover the truth.
It was meant to warn her.
A new Nightsisters series begins.

Two Jedi separate deep inside the ruins of Dathomir.
Then one hears his partner screaming for help.
He follows the voice and finds him waiting in the darkness-but when the REAL warning comes from behind him, the truth is revealed.
The Nightsisters don't always hunt you.
Sometimes... they make you come to them. ®@

The screenshot does not provide enough event context for a reliable chronological placement.; The description identifies Haruun Kal, pelekotan, akk beasts, and Shatterpoint; this points to the Clone Wars rather than the later Mindor appearance.

Suggested placement: Clone Wars - Haruun Kal / Shatterpoint-era Kar Vastor

Visible description:

An armored death squad invades the jungles of Haruun Kal-but they have no idea what is hunting them.

Kar Vastor descends from the darkness and unleashes the raw power of the pelekotan. Red weapons break against his twin vibroshields, the earth collapses beneath his enemies, and the akk beasts answer their master's call.

They entered with an army. The jungle answered with Kar Vastor.

548 STAR WARS The 212th Fan Film

Estimated: late Clone Wars

Released: May 4, 2025Continuity: Fan-made / non-canonFormat: Fan filmWhere: YouTube - official Hoplite VFX upload

Fan-made / non-canon. Commander Cody and the 212th face General Grievous. Best-fit placement: late in the Clone Wars, after Phase II clone armor is in use and before Revenge of the Sith. The filmmakers do not identify the exact mission date, so this placement remains estimated.

Series: The 212 / Hoplite VFX

Suggested placement: Late Clone Wars (estimated) - before Revenge of the Sith; exact mission date is not stated

Source file / screenshot(s): IMG_6777.png

Verification: Verified from screenshot and official Hoplite project/upload; chronological placement is estimated (Medium confidence)

Duplicate status: Unique; no duplicate identified in the current catalog

Review reason: Exact mission date is not stated; late-Clone-Wars placement is inferred from Commander Cody, the 212th, General Grievous, and Phase II-era presentation.

Order 66 has been given.

Far from the Jedi Temple and the battlefields of the Clone Wars, a lone Jedi pilot discovers the terrifying truth:

The Republic she once trusted is now hunting her.

No warning. No safe harbor. No allies.

Only one choice remains - RUN.

 Restrained beneath blood-red lights, Axiom begins to lose control-until the image of Anakin Skywalker materializes across his metal body.
 This isn't a combat program. It isn't corrupted data.
 Axiom remembers Anakin because some part of that Jedi survived inside him.
 The machine tears free and rejects the identity its creators assigned him.
 If Anakin is more than a memory... what exactly did they place inside Axiom-87?

 The galaxy changed in a single command.
 As Order 66 spreads across the Republic, an aging Jedi stands alone at a memorial and realizes that everything he once knew is gone.
 The ships are coming. The Jedi are being hunted.
 But this time, there will be no final stand.
 He makes a different choice:
 Disappear. Survive. Remember.

Star Wars: Darth Vader Hunts the Last Jedi

Order 66 has been executed.

The Jedi Order has fallen, but not every Jedi has perished. Across the galaxy, the few remaining survivors are forced into hiding, knowing that one relentless hunter is searching for them.

Darth Vader has only one mission: find every last Jedi and ensure the Emperor's will is fulfilled.

Every planet hides new secrets. Every encounter could be the last. And with each hunt, Vader sinks deeper into the darkness that now defines him.

Will anyone escape the Dark Lord of the Sith?

If you enjoy dark Star Wars stories featuring Darth Vader, the Jedi, the Sith, lightsaber battles, and the era following Order 66, I hope you'll enjoy this adventure.

May the Force be with you... always!

Visible description:

Bonjour à toutes et à tous !

Je suis très heureux de vous présenter mon film Star Wars: The Order 66 - Exile of Valen Kova.

Je tiens également à préciser que ce film est 100 % humain et qu'aucune IA générative n'a été utilisée.

Watch

Je n'ai absolument rien contre l'IA, mais pour moi, le but de faire du cinéma, c'est justement de fabriquer le film de ses propres mains, de vivre l'expérience pleinement et de donner vie à sa vision. Je n'aurais donc tout simplement pas vu l'intérêt d'y recourir pour ce projet.

Ce film représente deux ans de ma vie. Je fais du cinéma depuis plus de dix ans maintenant, et j'ai eu envie de me faire plaisir tout en vous faisant plaisir, en réalisant un film autour des fondations mêmes de ce qui m'a fait aimer le cinéma aussi profondément lorsque j'étais petit.

Star Wars, c'est une formidable machine à rêves quand on est enfant. Et ce rêve, j'ai voulu le vivre pour de vrai.

Beaucoup seront sûrement déçus, mais ce film n'a pas pour ambition d'explorer de nouveaux horizons dans l'univers Star Wars. Il cherche simplement à raconter l'histoire que je me racontais et que j'aurais voulu vivre en regardant les films lorsque j'étais petit. Ni plus ni moins.

J'espère qu'il aura au moins le mérite de vous divertir et que j'aurai su respecter Star Wars comme il se doit.

Je n'avais qu'un budget limité de 10 000 €, donc, bien entendu, le film est loin d'être parfait. Beaucoup de choses auraient certainement pu être mieux faites avec un peu plus de temps, mais il fallait bien qu'à un moment donné, je me décide à le lâcher. Sinon, j'aurais toujours trouvé quelque chose à améliorer !

Je tiens à remercier les quelques personnes qui m'ont aidé à réaliser ce film qui me tenait particulièrement à cœur. Il représente énormément pour moi et dans ma carrière, car il me ramène aux fondations mêmes de ma passion, même si, aujourd'hui, je réalise généralement des films assez éloignés de cet univers.

Je vous souhaite un excellent visionnage et nous attendons vos impressions avec impatience !

Sébastien Cascio

Ce projet est une histoire originale inspirée de l'univers créé par George Lucas et réalisée avant tout par passion.

Sta Wars: Darth Vader vs Anakin Skywalker

Deep within an ancient Sith temple, Darth Vader discovers a mysterious Sith Holocron hidden for centuries. The moment it is activated, something impossible happens.

A figure from the past appears-Anakin Skywalker.

What begins as a confrontation soon becomes a battle unlike any other. As the past collides with the present, Vader is forced to face the man he once was, and the choices that changed the fate of the galaxy forever.

Can the Dark Lord of the Sith silence the voice of his former self, or are some memories too powerful to be erased?

What if Darth Vader had one last chance to speak with Padmé?

Alone inside his meditation chamber, Darth Vader is haunted by the spirit of the woman he loved... and the woman he lost.

For the first time in years, Anakin Skywalker faces the truth. He confesses his deepest regrets, speaks of his disappointment with the dark side, and remembers the life that was stolen from him.

Is this truly Padmé's spirit... or simply the last light still burning inside Vader?

This is an emotional Star Wars fan story exploring guilt, redemption, and the tragedy of Anakin Skywalker.

What if Darth Vader turned good sooner? What if, rather than dying in the arms of Luke at the end of Return of the Jedi, he was pulled back to the light many years earlier? This Star Wars fan series follows an alternative story in which Darth Vader finds redemption and returns to his identity as a Jedi.

My name is Jordan, and I'm the creator behind the Monumental YouTube channel. Last year I made two videos which told the beginning parts of this Star Wars fan-fiction story. It was narrated, and used a lot of still images and poor quality AI visuals. I have received countless comments from fans of the series over the last year asking me to continue the series. I decided that I wanted to go back to the beginning and not only expand on the story, diving deeper into the events that lead up to Vader's change of heart, but to also dramatically improve the quality and style of storytelling. Rather than using a narrator, this series will be told entirely through dialogue and action, with the goal of making it feel like a real TV series.

STAR WARS: OBI-WAN KENOBI RISKS EVERYTHING TO SAVE LUKE SKYWALKER AND HIS FAMILY!

After the fall of the Republic, Obi-Wan Kenobi is forced to live in exile on Tatooine. Surrounded by the Empire, local criminals, and the harsh desert, he must remain hidden and trust no one.

But Obi-Wan is still watching over the Lars family farm, where a young Luke Skywalker is growing up. He cannot openly interfere in the boy's life - Luke needs a father, not a Jedi.

This time, however, circumstances force Obi-Wan to break his own rules.

The farm is in serious trouble. Vital equipment has failed, and Luke's family has no way to repair it. Obi-Wan knows that helping them could expose his identity and attract the attention of the Empire.

Should he risk everything for Luke and his family?

And can the old Jedi help them without revealing his secret?

Watch the video until the end to find out how this story unfolds.

STAR WARS: DARTH VADER Returns to NABOO - A Past He Cannot Escape

Nine years after the death of Padmé Amidala, the people of Naboo prepare to honor their former queen with a monument in Theed.

Emperor Palpatine sends Darth Vader to represent the Galactic Empire. But why is the Emperor smiling? Is this just a political assignment, or does he have another plan?

Standing before Padmé's monument, Vader confronts memories he thought were buried forever. A conversation with Padmé's sister brings the past painfully close, while another encounter with young Leia leaves him wondering why the Force keeps drawing him toward this mysterious girl.

What remains of Anakin Skywalker beneath the armor of Darth Vader? And what will happen when the Dark Lord of the Sith returns to Padmé's monument under the cover of night?

Some memories refuse to die. Some wounds never heal.

Watch this emotional Star Wars fan film featuring Darth Vader, Padmé Amidala, Emperor Palpatine, and young Leia - a story of lost love, the dark side, and a past that continues to haunt the galaxy.

I put a huge amount of time, effort, resources, and, most importantly, a piece of my heart into creating this 47-minute Star Wars fan film.

I made this Star Wars story because, honestly, I really miss the stories I grew up loving - the atmosphere, the characters, the Force, the Jedi and Sith, and that special feeling of a galaxy far, far away.

I truly tried to put that feeling into this story about Darth Vader, young Leia, and Anakin Skywalker. So please don't judge it too harshly. I'm a Star Wars fan just like you, and this is simply my way of creating the kind of stories I would love to watch myself.

I'd genuinely love to hear from you:

What do you miss most about the Star Wars you grew up with?

The stories? The characters? The Jedi and Sith? The atmosphere?

Let me know in the comments. I really want to hear your thoughts.

And if you enjoyed this Star Wars fan film, a like and a share with another Star Wars fan would mean a lot to me.

Darth Vader Vs Darth Maul: Who will survive?

A dark scheme from mysterious Sith cultists attracts Darth Vader on an Outer Rim for a deadly duel Darth Maul. Thought to be dead after the events of The Phantom Menace, Maul seems to have been resurrected. A young Vader must now fight his way out of the volcanic moon of Kalakar Six.

This is the full version of our Vader Vs Maul short film.

This is an adaptation of Star Wars Tales #9: Resurrection published by Dark Horse Comics on October 10, 2001 made by:
Writer: Ron Marz
Penciller: Rick Leonardi
Inker: Terry Austin
Colorist: Raúl Treviño
Letterer: Steve Dutro
Cover Artist: Jon Foster
Editor: Dave Land

Some lines or order of events have been slightly modified to fit this new format. We invite you to read the original Star Wars comics for more information, here's what has been changed (SPOILERS):

- Stormtrooper lines in the introduction were removed due to pacing reasons.
- Stormtrooper lines added during Maul's attack for ambience and coherence.
- The Sith cultists commenting the fight have been arranged differently and split for coherence and pacing purposes.
- Maul yelling Kenobi was added.

In this Star Wars-inspired fan film, Han Solo and Chewbacca descend into the neon underworld of Nar Shaddaa, carrying a dangerous

prize recovered from Xim's legendary treasure ship - the Queen of Ranroon.

What they found inside the ancient vault was not simple treasure, but an encrypted data log tied to forgotten routes, lost powers, and secrets buried long before the Galactic Republic was born.

Their search leads them through smugglers, crime lords, droids, and the shadows of Nar Shaddaa, where information is never free - and some archives were hidden because they were never meant to be opened.

Facing Darth Vader on Bespin, Luke Skywalker lost his hand, his lightsaber, and his innocence-learning the devastating truth about his father.

Haunted by those events and desperate for answers, Luke returns to Tatooine in search of ancient Jedi texts Yoda once mentioned-texts he believes will help him construct a new lightsaber and complete his training before facing Vader again.

The writings lead Luke on a dangerous journey close to home: a map to a Force "well," a rare place where the Force gathers to protect objects of immense power. In this case, a long-hidden Kyber crystal-one Obi-Wan Kenobi secretly left behind for him.

To reach it, Luke must survive the treacherous Beggar's Canyon-a labyrinth of deadly valleys, jagged formations, and sheer canyon walls deep within the Jundland Wastes. Once part of the legendary Boonta Eve Podracing Classic, the canyon now presents a different kind of trial.

Hunted by the dangers of the desert and forced to scale an immense canyon wall, Luke ventures toward a cave that holds not only the crystal he seeks-but truths about the Jedi, the Force, and himself.

Set between The Empire Strikes Back and Return of the Jedi, Beggar's Canyon is a Star Wars fan film exploring Luke Skywalker's transformation into the Jedi Knight he must become.

Set between the evens of Empire Strikes Back and Return of the Jedi, Beggar's Canyon: Dead Man's Run continues the story of Luke Skywalker as he attempts to leave Tatooine for good after uncovering a powerful Jedi relic.

But Beggar's Canyon is never easy. A rogue Swoop Bike gang recognizes Luke and recall the story of what happened to his family years earlier - as told by the stormtroopers who were there - and Luke is pushed to the edge. He is tested by the seductive power of the Dark Side in ways he never imagined.

What follows is a high-speed chase through the narrow passes of Beggar's Canyon, known as the "Dead Man's run", as Luke fights not only for his life, but for control of the darkness within him.

The sequel to the film @StarWarsTheory called "BEYOND INCREDIBLE", Dead Man's Run is an emotional ride, a touching and adrenaline-fueled Star Wars fan film exploring Luke during a confusing time where he is taking on his greatest enemy yet - the darkness within.

This is Part 2 of the Beggar's Canyon Luke Skywalker Star Wars fan film series.

The hunt has begun. In the aftermath of his failure on Bespin, Darth Vader is fighting dark inclinations in a way he hasn't in a long time.

Luke Skywalker, fighting his own emerging darkness, crosses paths with a mysterious new ally whose presence reminds him of someone from his past.

Meanwhile, the underworld stirs. Bounty Hunters sense opportunity in the Empire's search for Skywalker. As credits and vengeance intertwine, a quiet conflict begins to simmer - one that threatens to pit Bounty Hunter against Bounty Hunter in an epic battle for supremacy.

Beggar's Canyon continues...

In Part IV: Shadows of the Empire, the story expands beyond the Outer Rim and into the Galactic Center of Coruscant, where the powerful and dangerous Prince Xizor aids Boba Fett as he looks to repair a failing carbonite unit.

Meanwhile, Luke Skywalker returns to the Rebel Fleet after months away to take action on a plan to rescue Han Solo. As tensions rise, Luke and Leia reunite at a critical turning point-both carrying the weight of saving their lost friend.

But in the underworld, nothing stays hidden for long. Bossk is closing in-tracking Fett across a dangerous trail of alliances and betrayals. When he crosses the wrong guy, the hunter quickly becomes the hunted.

BEGGAR'S CANYON: PART VI - JOURNAL OF THE WHILLS

In the wake of his crushing defeat on Bespin, Luke Skywalker has given in to arrogance, recklessness, and anger-the same conflicts his father faced as a young Jedi.

Searching for guidance, Luke turns to the *Journal of the Whills*, to uncover the lost legend of the first Kaiburr Crystal, the rise of the lightsaber as a weapon, and the profound effect both would have on the fate of the galaxy-and the Skywalker family.

What follows is a sprawling epic of ancient wars, legendary lightsaber duels, and a never-before-told ancient parable upon which the Jedi Order itself was founded.

The sixth chapter in the *Beggar's Canyon* saga is the most ambitious yet-a groundbreaking visual achievement spanning thousands of years of galactic history to shed new light on Luke's greatest struggles.

Beggar's Canyon is an original, untold story chronicling Luke Skywalker's journey from his defeat on Bespin to becoming the Jedi Master who walks into Jabba's Palace in *Return of the Jedi*. It draws inspiration from across *Star Wars* history, including George Lucas's original 1975 story draft, Steve Perry's beloved *Shadows of the Empire*, and the abandoned novel *Splinter of the Mind's Eye*.

A love letter to *Star Wars*, *Beggar's Canyon* is an unofficial, nonprofit fan film series made by one avid Star Wars fan with a background in writing/directing and visual effects.

The Ewoks defied the Empire. The Empire sent Darth Vader.

BEGGAR'S CANYON: PART VII - THE WRATH OF VADER

A Star Wars fan film set between The Empire Strikes Back and Return of the Jedi. Opening recap included.

Dispatched under mysterious orders, Vader arrives on Endor with no patience for resistance-and no intention of fighting fair.

Elsewhere, the search for Han Solo takes Leia and Lando into Prince Xizor's palace. Lando came prepared to negotiate. He wasn't prepared for the effect the prince would have on Leia.

Boba Fett just wants his ship back. Unfortunately, his fellow bounty hunters have decided he's worth more than their friendship.

And Luke Skywalker has an ancient relic in his hands and fresh reasons to doubt himself. After Tatooine and Yavin, the line between trusting the Force and trusting his own anger is getting harder to see.

Beggar's Canyon is an original story following Luke Skywalker's journey from his defeat on Bespin to the Jedi who enters Jabba's palace in Return of the Jedi. Drawing inspiration from Star Wars Legends, including Shadows of the Empire and Splinter of the Mind's Eye, the series brings those stories into a continuing saga set between the films.

An unofficial, nonprofit fan film series made by one avid Star Wars fan.
Made in OTOY Studio.

BEGGAR'S CANYON VIII: SECRET OF THE JEDI
A Star Wars fan film set between The Empire Strikes Back and Return of the Jedi.

Beneath Coruscant, the ancient history of the Sith and Jedi temples holds secrets that could change everything. Luke Skywalker descends into the old temple in search of a mysterious Jedi who may help him complete his training. Meanwhile, Prince Xizor challenges Leia's deepest convictions-and on Endor, Darth Vader's patience with his Imperial duties has reached its limit.

The night before Luke came to the rescue... what really happened to Leia and Lando inside Jabba's Palace?

This is the full cut of our Night at Jabba's Palace short film. Some parts have been adjusted to address things that were unclear to some people, and to improve the overall experience.

In this episode we follow Lando Calrissian as the last man left. What did he do during this night before Luke arrives to save everyone.

Duplicate status: Unique upload

Visible description:
The Empire has fallen, but the past won't let Han Solo rest. A dark rumor from the shadows of the galactic underworld forces the former smuggler and his friend Chewbacca to steer the Millennium Falcon deep into the lawless sectors of the Outer Rim. In search of answers, they uncover the trail of a ghost who should have long since been laid to rest in the Pit of Carkoon...
Han must not only fight for his survival but also face the ghosts of his own past.

This non-commercial fan film is a homage to the gritty underworld of the Star Wars universe.

This short film is a hybrid project and is only partially created with AI generators. While character and environment shots are supported by modern AI tools, I rely entirely on classic CGI with detailed 3D models to achieve the necessary impact and dynamic energy for all space and flight sequences.

Used Tools & Software:

CGI: 3DS MAX
Video & Image Generation: Kling AI, VEO
Voices & Audio (Voice Cloning/Generation): ElevenLabs
Music & Soundtrack: Suno AI
Editing & Color Grading: Adobe Premiere, Adobe After Effects

DISCLAIMER

This is an unofficial fan-made project created for entertainment purposes only. Star Wars and all related characters, names, and elements are the property of Lucasfilm Ltd. and The Walt Disney Company. This video was created using artificial intelligence tools and is not an official Disney or Lucasfilm production.

Star Wars: Jedi Academy - The Complete Story | Full Movie

Experience the complete journey in one epic movie!

Set approximately 10 years after *Return of the Jedi*, Luke Skywalker has begun rebuilding the Jedi Order. Together with Han Solo, Chewbacca, Kyle Katarn, and his students, he faces a new threat emerging from the shadows.

Ancient Sith temples, forgotten holocrons, dangerous lightsaber duels, and a mysterious Dark Lord of the Sith await our heroes. As the darkness grows stronger, Luke must risk everything to save his student Jaden and protect the future of the Jedi.

This full movie combines all previous episodes into one complete cinematic adventure for Star Wars fans.

If you enjoy the movie, please support the channel with a Like and Subscribe. It truly helps the channel grow and allows me to create more adventures.

Message from the Creator

Dear friends,

I worked on this video for almost a month and a half. The idea, the story, and the screenplay are entirely my own. I created this project inspired by the Star Wars universe and, as you probably guessed from the title, by the legendary Jedi Academy video game.

To bring this story to life, I used almost every AI tool you can think of... and even a few you've probably never heard of. Sometimes a single scene required 20-30 generations before I finally got the result I was looking for. It took an incredible amount of time and patience.

Almost every sound you hear was created or edited by hand. Every lightsaber swing, every blaster shot, footsteps, engine hums, and even the subtle sounds of space (yes, space has its own cinematic sound here!) were carefully added one by one.

Finding the right music was another challenge. Sometimes I spent several days searching for tracks that could capture the feeling of the classic Star Wars films. Since the original soundtrack is protected by copyright, I had to be creative and build a completely different musical atmosphere while preserving that familiar emotion.

I also wrote every dialogue myself and even recorded the voices to make the conversations feel as natural and cinematic as possible.

This project was created by one person with a huge passion for Star Wars and storytelling.

Thank you so much for taking the time to watch this video. Your support, comments, likes, and subscriptions inspire me to continue creating new adventures in this incredible galaxy.

May the Force be with you... always!

THE VONG ARE HERE.
You wanted the VONG. You asked for the Yuuzhan Vong. So we're going deep into the world of THE VONG.
A Jedi senses danger-but when he reaches into the Force searching for his enemy, something is terribly wrong.
Then a YUUZHAN VONG WARRIOR emerges.
Living Vong armor.
Living Vong weaponry.

Darth Krayt did not believe the Sith should be limited to two.

Once known as the Jedi A'Sharad Hett, Krayt survived a brutal path that eventually transformed him into the Dark Lord who created the ONE SITH -

an entire Sith Order united beneath a single will.
His will.
In this first appearance, one Sith makes the mistake
of challenging Krayt's authority in front of the entire
Order.
Two red blades.
One Dark Lord.
And a chamber full of Sith who know exactly why

A towering siege droid opens fire inside a One Sith warship-but Darth Krayt turns its own attack against it.

With two red lightsabers and centuries of battlefield experience, the Lord of the One Sith proves that size, armor and firepower mean nothing before his will.

"Everything kneels eventually."

The reign of Darth Krayt begins.
